Revista de Artes, Letras y Filosofía*, 2(57): 235–251. doi:10.32735/S0718-22012023000573287.

Research & Consulting Experience

Research Consultant Apr. 2025 – Present
CAF — Development Bank of Latin America and the Caribbean
- Coauthored a chapter on EdTech and AI in education; analyzed data and evidence on digitalization and educational outcomes in Latin America and the Caribbean.
- Developing a policy report on the differential impact of organized crime on women in Latin America and the Caribbean.
- Working on a paper on in-group gender bias in judicial decisions in São Paulo, Brazil.
- Working on research on municipal mayoral turnover, bureaucratic structure, and budget allocation in Mexican municipalities.

Research Assistant Sep. 2024 – Mar. 2026
Guillermo Cruces, Sebastian Galiani, Ramiro H. Gálvez, and María Lombardi
- Analyzed experimental data, coordinated survey teams, and contributed to survey development for a randomized experiment on generative AI and education-based productivity gaps.

Impact Evaluation Consultant 2025
Dirección Nacional de Contrataciones Públicas, Paraguay
- Collaborated with Guillermo Cruces on an IDB-funded impact evaluation of a system for detecting fraud in public procurement.

Research Assistant — Childhood Language and Learning 2020; 2021
PIP 702/21; SECYT–FONCYT PICT 02896/2019
- Provided statistical analysis on vocabulary, discourse, and learning opportunities in early childhood and home contexts (unpaid research appointments).

Teaching Experience

Teaching Assistant — Econometric Methods and Applied Industrial Organization 2025
Master in Economics, Universidad de San Andrés

Teaching Assistant — Microeconomics 2025
Master in Public Policy, Universidad Torcuato Di Tella

Teaching Assistant — Economics 1 2024
Undergraduate course, Universidad de San Andrés

Policy Evaluation & Professional Experience

Evaluation Analyst Dec. 2022 – Jan. 2024
Buenos Aires City Government — Chief of Staff's Office
- Led and supported descriptive and causal evaluations of public policies and social programs, including *Codo a Codo* and *Aprendé Programando*.
- Applied econometric methods in Stata and R to assess labor-market outcomes; cleaned, analyzed, and visualized survey microdata using R and QGIS.
- Supported impact evaluation design in collaboration with multidisciplinary teams.

Evaluation Intern Jun. 2022 – Dec. 2022
AYINI — Local Innovators Program Evaluation Team
- Conducted statistical analysis and processed outcome data from local innovation projects for policy research.

Analyst Feb. 2021 – Mar. 2022
Buenos Aires City Government — Ministry of Education
- Managed children's orchestra programs and designed, implemented, and analyzed enrollment surveys.

Public Writing

Fernández Meijide, Diego. 2026. "Las Islas Malvinas y una IA obsecuente." *Clarín* (op-ed).

Selected Graduate Coursework

Economics (UdeSA): Applied Economics (10/10); Econometric Methods and Applied Industrial Organization (10/10); Spatial Econometrics (9/10); Natural Language Processing (9/10); Big Data (9/10).
